

## Notes:

A **Suitably Qualified Individual (SQI)** must have the appropriate facilities and equipment to conduct the examination and complete the certification. A SQI must have:-

- an Engineering/Technical Qualification (Level 7 or higher accredited courses<sup>1</sup>) **or** appropriate accreditation with Engineers Ireland<sup>2</sup> or the Institute of Automotive Engineer Assessors<sup>3</sup>
- a minimum of 5 years experience of working in a suitable technical environment (preferably Automotive or Engineering Environment)
- access to adequate facilities to carry out a thorough vehicle examination, and
- appropriate professional indemnity insurance,

**or:-** must be a National Standards Authority of Ireland approved facility (Approved Test Centre).

### Vehicle categories

The European Commission adopted Regulation (EU) No. 678/2011 on 14th July 2011. This regulation replaces Annex II of Directive 2007/46/EC. Declarants should familiarise themselves with the general definitions, criteria for vehicle categorisation, vehicle types and types of bodywork set out in the Annex to the Regulation.

A Category M1 vehicle is a vehicle designed and constructed for the carriage of passengers and comprising no more than eight seats in addition to the driver's seat.

A Category M2 vehicle is a vehicle designed and constructed for the carriage of passengers, comprising more than eight seats in addition to the driver's seat, and having a maximum mass not exceeding 5 tonnes.

A Category M3 vehicle is a vehicle designed and constructed for the carriage of passengers, comprising more than eight seats in addition to the driver's seat, and having a maximum mass exceeding 5 tonnes.

A Category N1 vehicle is a vehicle designed and constructed for the carriage of goods and having a maximum mass not exceeding 3.5 tonnes.

A Category N2 vehicle is a vehicle designed and constructed for the carriage of goods and having a maximum mass exceeding 3.5 tonnes but not exceeding 12 tonnes.

A Category N3 vehicle is a vehicle designed and constructed for the carriage of goods and having a maximum mass exceeding 12 tonnes.

### EU Bodyworks

Motor vehicles of category M1

AA	Saloon	AD	Coupé
AB	Hatchback Saloon	AE	Convertible
AC	Station wagon	AF	Multi-purpose vehicle

Motor vehicles of category M2 and M3

CA	Single deck	CE	Low-floor single deck
CB	Double deck	CF	Low-floor double deck
CC	Articulated single deck	CG	Articulated low-floor single deck
CD	Articulated double deck	CH	Articulated low-floor double deck

Motor vehicles of category N

BA	Lorry	BB	Van Lorry
----	-------	----	-----------

To be deemed a motor caravan for vehicle registration purposes, a vehicle must be a special purpose EU Category M1, M2 or M3 vehicle with a bodytype SA and must be constructed to include living accommodation which contains at least the following equipment: (1) seats and table, (2) sleeping accommodation which may be converted from the seats, (3) cooking facilities, and (4) storage facilities. It should be noted that this equipment must (with the exception of the table which may be designed to easily removable) be rigidly fixed to the living compartment.

### Supporting Documents which must accompany declarations

**CONVERTED UNREGISTERED OR FOREIGN-REGISTERED VEHICLE:-** Please see <http://www.ncts.ie/vrt.html> for documents which must be brought to the NCTS when declaring a vehicle for registration. In addition, the total cost of conversion in Euros including VAT must be supported with a list of invoices/receipts showing dates and amounts. In the case of a Motor Caravan please, on the day of presenting the vehicle to NCTS, email photos showing the full interior and exterior condition of the vehicle to **cvoffice@revenue.ie** quoting the make, model, VIN, and foreign registration number. Images should be resized to c. 500kb to facilitate emailing and viewing.

**CONVERSION OF A REGISTERED VEHICLE, i.e. one with an Irish registration number:-** The declarations should be posted together with:-

- the Vehicle Registration Certificate, and
- invoice(s) showing the costs of conversion, and
- in the case of a Motor Caravan, photographs showing the full interior and exterior condition of the vehicle. (If emailing images to cvoffice@revenue.ie, please resize to c. 500kb to facilitate emailing and viewing).

<sup>1</sup> See Engineers Ireland, Accredited Courses

<sup>2</sup> Chartered or Associate Engineer

<sup>3</sup> Member or Incorporated Member.

## Template for Suitably Qualified Individual, Declaration of Conversion

A declaration relating to the converted vehicle must be completed by the Suitably Qualified Individual (SQI) who has inspected the vehicle and satisfied himself/herself as to the standard and quality of the conversion and the accuracy of the owner's declaration. **The declaration must be drawn up on the headed paper of the SQI**, which must contain, as a minimum, the Name and/or Business Name, address, contact details and tax number. A MSWord version is available at [www.revenue.ie](http://www.revenue.ie) in the VRT forms section.

The declaration itself must contain the following details:-

VEHICLE DETAILS	
VIN	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>
